Faculty

Well-qualified, experienced faculty for all subjects who are engaged in continuous professional development for upgrading 21st century teaching and learning skills.

Sports and Nutrition

As a young adult, in the high-expectation Senior Secondary wing, we take care of the physical fitness and nutrition of our learners through our comprehensive full-day program. Our 10.5-acre state-of-the-art campus with sports options include Football, Basketball, Badminton, and Table Tennis. Our learners are provided with a rich dietary meal plan curated by Nutritionists from Jupiter Hospital, Baner, Pune that caters to the needs and appetite of a teenager's palette. Our Senior Secondary wing will also be facilitated with a tuck shop where learners can buy packed snacks and eatables of their own choice.

Safety & Security

The exclusive Senior Secondary campus is under 24 hour CCTV surveillance. All corridors and common areas are strictly monitored to provide a safe learning space for our learners.
